12.9

SPECIFIC ADVANTAGES

Comfort

- Advanced knitting plating technique provides soft touch
- A supple and thin gauge 15 for a fresh feeling on the skin, a perfect fit and an excellent flexibility
- An ultra thin and soft high visible thumbslot allows to keep the sleeve in place and enhances safety while maintaining dexterity
- An adaptable self-gripping elastic band for a secure fit on the arm and a safe work

Skin protection

- Wrapped fibres with a soft yarn avoid skin irritations
- Free of harmful substances: OEKO-TEX® STANDARD 100

Guaranteed quality

- Silicone free to prevent traces, defects on metal sheet and glass prior to painting

Washability

- Washable up to 3 times at 40°C, to extend the life of the sleeve and reduce costs and waste

INDUSTRIES

- Automotive/mechanical industry
- Construction Industry (Metalworkers/Locksmiths)
- Glass industry
- Industrial maintenance
- White appliance

APPLICATIONS

- Mechanical maintenance
